Mark Husar
California Lighting Services
444 Main Avenue
Sacramento, Ca. 95838

California Lighting Services, Inc. has been associated with River Valley Insurance Associates for over 12 years. I provide both the General Liability insurance policy and the Business Automotive insurance policy.

During this 12 year association, the policy premiums are always on time and there has been no claims filed by the insured's customers.

California Lighting Services, is a very professional organization and I look forward to our continuous relationship.

Sincerely;

Joel Miller
Account Manager
